
Interview with "The Kid" the Guitarist

hat was music album that soundtracked your ildhood?

Velcome to Viper City by Recon c it's a great deathcore album nd even though they only put out few albums, Recon is a sick ass and that makes great music

What was the best concert you've ever seen

My favorite concert I've been to is probably a Flatwounds concert, like the one at empire live since it was packed and the energy was crazy

What was your favorite Selfless Demise show?

My favorite Selfless show was definitely when we played CT cause it was cool to meet new people and see new bands I don't usually see

What are you looking forward to on tour?

I'm looking forward to meeting more new bands and people on tour and going on a trip with the guys
